PREMIO SIMONETTA BASTELLI

# ARCHITECTURE AND NATURE 2020

## VIII Prize Simonetta Bastelli

To the best projects that enhance the relationship between  
architecture and nature in open spaces  
**CALL FOR PARTICIPATION**

### INTRODUCTION

The cultural association "architect Simonetta Bastelli" aims to promote the culture of qualified landscape and the landscape in the collective commons, with a particular attention to the new generations, in an appropriate relationship between architecture and nature. For these reasons, the municipality of San Venanzo organizes the prize Simonetta Bastelli to be assigned to the best projects that enhance the relationship between architecture and nature in open spaces.

The award is divided into four sections: professionals, young people, master's degree thesis and university students.

The aim of the contest, also in regard to Article 6 of the European Convention, is to "increase awareness among the civil society, private organizations, and public authorities of the value of landscapes, their role and changes to them" and to contribute to the "training and education" through proper and appropriate design methodology. As a prerequisite, the prize's intent is to contribute to the training of professionals with a methodological approach focused on the quality of the landscape, reserving particular attention to younger generations, so as to promote issues concerning the quality of the landscape. An international jury will choose the best project for each session. All the submitted projects will be set up in an exhibition at the Palazzo Faina, the town hall of San Venanzo.

### Art. 1 – THE COMPETITION

The cultural association " Architect Simonetta Bastelli" is holding a prize reserved for professionals of various categories, young people, master's degree thesis and university students.

### Art. 2 – THEMES OF PROJECTS

The theme to participate in the award concerns the design of outdoor spaces, stressing in particular onto the relationship between architecture and nature. These spaces can belong to buildings (public or private) or autonomous (squares, avenues, parks, gardens, agro-forestry interventions, etc.).

### Art. 3 - CONDITIONS OF PARTICIPATION

Both individuals and groups are allowed to participate to the competition. The competition is divided into four sections: professionals, young, dissertations and university students (or similar). The first section is open to all professionals, regardless of the inclusion into a register, who have prepared a draft on the subject. The second section is open to all graduates who have not turned 35 on September 15, 2020. For those who will participate in group the prescription is valid for all group members. Theses discussed before July 31<sup>st</sup>, 2020 may be submitted to the third section.
