ARCHITECTURE AND NATURE 2020

VIII Premio Simonetta Bastelli

Landscape Design Workshop
Poggio Aquilone September 15-18, 2020
CALL FOR PARTICIPATION

INTRODUCTION

The cultural association "architect Simonetta Bastelli" aims to promote the culture of qualified landscape and the landscape in the collective commons, with a particular attention to the new generations, in an proper relationship between architecture and nature. Due to this aim, the city of San Venanzo, organize a Workshop at the old city of Poggio Aquilone, which responds at the principles of the association "architect Simonetta Bastelli" concerning landscape enhancement and the relationship between architecture and nature.

The workshop is about an urban regeneration of a site in the city of San Venanzo. The aim of the workshop, according with the Art.6 of European Landscape Convention, is to increase awareness among the civil society, private organizations and public authorities regarding the value of landscapes, their role and their transformation" and contribute to "training and education" with a proper design methodology. The presupposition is contribute to the trainee of professionals, students and everyone who operates on Landscape with a methodological approach which aims to the quality.

A special jury, composed by of representatives of the municipal administration, universities and professional associations, with the participation of international experts, will select the best project.

Art. 1 – THE COMPETITION

The cultural association "architect Simonetta Bastelli" announces the selection for the participation at the workshop in Poggio Aquilone, San Venanzo (TR) during the month of September 2020.

Art. 2 – THEME AND ORGANIZATION

The permanent workshop is open to 20 participants and will be held at the ancient village of Poggio Aquilone in San Venanzo from September 15th to September 18th, 2020, with the final presentation on September 19th.

Participants will work on a specific theme related to the connection between Architecture and Nature.

The theme scheduled for the 2020 edition will be "perception: landscape and panorama".

The intervention area, within the municipality of San Venanzo, will be in the ancient village of San Vito in Monte, with particular attention to the castle and the belvedere.

Participants will be divided into working groups, each coordinated by a tutor.

In addition to the coordination of the tutor, the project work takes place in a confrontation with international personalities in the various operating sectors of the landscape.
